**Formas, sensibilidad y movimiento,  
valores de un concepto estético en baño**

Más de 40 años de historia caracterizados por presentar colecciones donde el diseño y la calidad reflejan los valores de nuestra empresa que trabaja cada día para hacer de su baño una estancia funcional, cálida y agradable.

Empleando sólo las mejores materias primas que son transformadas en nuestra planta de El Papiol (Barcelona), finalizamos con un exigente proceso de acabados que incluye una deposición de níquel, cromo u oro de 24 quilates más barniz, obteniendo un espesor de 30 micras y ofreciendo un producto de gran calidad.

***Forms, sensitivity and movement,  
values of an aesthetic concept in bathroom***

*More than 40 years of history characterized by presenting collections where design and quality reflect the values of our company, which works every day to make your bathroom a functional, warm and pleasant room.*

*Using only the best raw materials that are transformed in our plant in El Papiol (Barcelona), we finish with a demanding finishing process that includes a deposit of nickel, chrome or gold of 24 carats plus varnish, obtaining a thickness of 30 microns and offering a product of great quality.*
